RE: Coronavirus [COVID-19]

Time: 13/3/2020 – 3:00pm

Games cancelled effective immediately.

Casey Basketball will be suspending all domestic competitions and development programs as a precaution. All fixtures will be postponed until further notice.

This decision has been made in consultation with Basketball Victoria who have similarly suspended all VJBL & Big V competitions after meeting with State government & health authorities earlier today.

This action plan commences immediately.

The Association will continue to liaise with Basketball Victoria and the Victorian Government and maintain constant communication with its' members to ensure updates are passed on as soon as they become available.

We remind all members to stay vigilant with their hygiene and continue to ensure their health is their number one priority.

We thank you for your support at this time and we will continue to communicate updates as information comes to hand.
