

Hi,

Thank you for your interest in joining a team at Casey Basketball or re-registering for Casey All Stars

The Association has launched its new basketball club - Casey All-stars

Casey Basketball has over 700 teams playing in its competitions and has 20 clubs with Casey All-Stars becoming the 21st. We have great pathways for kids wishing to take their basketball skills to the next level with teams competing in the VJBL, Big V and NBL1 competitions. The Association also offers additional training and development programs for kids looking to improve their basketball skills. We have won numerous awards for our junior programs and high-level performance on and off the court.

There are also amazing inclusions programs for kids of all ages and needs, to give them an opportunity to be involved in basketball in many environments, including an All-Abilities competition played on a Thursday night at Casey Stadium.
