

PARENT-PLAYER

VJBL HANDBOOK

1. Welcome

Welcome to the Casey Cavaliers Junior Representative program. This booklet is designed to provide parents of players selected to play with the Casey Cavaliers (Cavaliers) an overview of the program. The Cavaliers are the representative teams of the Casey Basketball Association (CBA).

The Cavaliers field both male and female teams that play in the Victorian Junior Basketball League (VJBL). This is the elite level of basketball, featuring the best and most promising players in the state of Victoria. The VJBL is the affiliated competition of Basketball Victoria.

Note that pathways to play in the best competitions in the nation and overseas, i.e. the NBL, WNBL, NBL1, Big V and USA colleges usually go through a representative program such as the one operated by the Cavaliers.

Our values are: **Professionalism, Respect, Integrity, Diversity, Engagement**

Cavaliers players will be given the opportunity to develop their skills and be the best they can be on the court, while developing personal, social and team values. Including:

- commitment & perseverance
- personal responsibilities within the group
- teamwork & sportsmanship
- respecting the rules & others
- learning to compete
- following instructions

2. About us

Casey Cavaliers first entered the VJBL in 1997 under the name, Cranbourne Comets. Over the years, there have been multiple name changes before becoming the now Casey Cavaliers. CBA currently has over 70 teams competing in the VJBL.

In 2013 our Association changed from Cranbourne District Basketball Association to Casey Basketball Association and has excelled both on and off the court. This has been acknowledged by our governing body and league administration with the following awards:

- Basketball Victoria Coach of the Year in 2025
- Basketball Victoria Referee Branch of the Year in 2024
- Basketball Victoria Coach of the Year in 2024
- Basketball Victoria Association of the Year in 2023
- VJBL Large Association of the Year in 2023
- Basketball Victoria Referee Branch of the Year in 2022
- Basketball Victoria Junior Program of the Year in 2020
- Basketball Victoria Association of the Year in 2019
- Basketball Victoria Junior Program of the Year in 2019
- VJBL Large Association of the Year in 2019
- Basketball Victoria Runner up Association of the Year in 2018
- BIG V Club of the Year 2017
- Basketball Victoria Association of the Year in 2014

The CBA Management are responsible for the day-to-day running of the program. Our Basketball Development Manager (BDM) and coaching staff will be responsible for your child's basketball development.

Team Managers will be appointed to your child's team by CBA, in conjunction with the team coach. Team managers are responsible for the team organisation, as well as relaying all club information to families.

Information on CBA board members and staff members can be found on:
www.caseybasketball.com.au

3. Commitment

Representative basketball requires a large commitment from both players and parents to the program to ensure the appropriate level of professionalism and development occurs each season.

Cavaliers program requires the following commitment:

- All teams/players have **two compulsory practices a week**. These schedules are published once teams are selected.
- All teams/players will compete on Friday nights in the VJBL competition. Games are played throughout Melbourne and fixtured by the VJBL.
- Cavaliers teams participate in one compulsory tournament (South East Junior Basketball Tournament) held on Labour Day weekend in March.
    - SEJBT tournament entry fees are charged on the original registration invoice as a separate line item.
    - Teams may choose to participate in other tournaments, but these must be **approved by the BDM.** These tournaments **are not** covered in the season fees.
- Returning Cavaliers representative players U12-U18 are required to play in the Casey domestic competition for both the summer and winter seasons and play enough games to qualify for finals.
- New players are required to be playing in the Casey domestic competition by the following Winter season and play enough games to qualify for finals.
- It is highly recommended that all players in teams 1 – 4 play within the Premier League domestic competition to further enhance their development.
- Teams entered into domestic competitions must not consist of more than 50% of players from the same VJBL representative team, unless all players are currently playing for the same domestic club
    - Special consideration maybe granted in exceptional circumstances.
    - To apply for an exemption please email cavaliers@caseybasketball.com.au.
- Players are expected to practice outside official sessions. It is highly recommended U12/14 players attend the Cavaliers Performance Program (CPP)/Cavaliers Development Program (CDP) to assist with skills and basketball concepts.

Not meeting these requirements may affect their eligibility to play for the Cavaliers.

MULTI-SPORT ATHLETES
We encourage multi-sport athletes at our basketball club, as it can be beneficial to an athlete's short and long term development. We expect that athletes selected for Casey Cavaliers prioritise Cavaliers games and training sessions first and foremost.

It will NOT be acceptable for athletes to miss full sessions every week or the majority of a session every week. On an occasion when another sport clashes with our training session or game, written correspondence is required to the BDM prior to the event, to determine the effect this may have on the team.

At the discretion of the BDM, continuously missing practice may result in reduced court time and/or deregistration from the program.

4. Playing Philosophy of the Casey Cavaliers

The Cavaliers' playing philosophy is based on teaching players, HOW TO PLAY THE GAME.

Defensively, all Cavaliers junior teams will be taught how to play man to man, with some zone concepts being introduced at U16's. This is the accepted best practice around the world for teaching players how to play the game.

Offensively, players will be taught our "Casey offensive system", with sound principles being "progressively introduced" over their possible 10-year time with the Cavaliers. Beginning with 5 out concepts and graduating to 2 and 3 a side action. Casey Cavaliers have chosen this system to best align our athletes with the Basketball Victoria and Basketball Australia High Performance Pathways.

Tech Fouls
If a player receives a behavioural Tech foul in a VJBL game, they will automatically be suspended for the next VJBL game. Once CBA are advised by VJBL of the behavioural tech foul, our BDM will contact players and parents. Players are expected to attend trainings and games even though they are suspended. Suspended players are still required to pay game fees. This rule applies to VJBL finals.

How We Practice
The Cavaliers representative program has set high expectations. We aim to have our teams playing in the highest possible division on a consistent basis. To do this, we must be elite in everything we do. Every team and its staff, along with parents, need to be held to the same standards to achieve our goal.

Cavaliers' NON-NEGOTIABLES
Coaches
- Embrace and emphasize the Casey system of play & language
- Planned sessions
- Stay on task
- Elite communication
- Coaches eye
- Great body language

Athletes
- Execute elite training standards
- Compete every possession
- Great body language and positivity
- Elite communication
- Listen with your eyes
- Put into action what the coach instructs
- Sprint in and out of drills & huddles
- Participate in every rep / if you are on the sideline, you are coaching or cheering
- DO NOT INTERRUPT THE PRACTICE BEFORE OR AFTER YOURS. THIS INCLUDES BOUNCING OF BALLS AND EXCESSIVE NOISE.

Parents
- Practice good supporter habits
- *No coaching from the sideline (this hurts your child)
- No undermining of the coach on the ride home

- Controlling other children if they are in the venue. This is distracting to your child's development. (noise, basketballs and running up and down the sideline)

*This can result in parents not being allowed to attend games.

5. Competition

The competition is split into 3 Phases:

- Practice Phase - runs from October to Mid-November and is used for team tryouts and practice games.
- Grading Phase - runs from Mid-November to February
- Championship Season - runs from March to September.

Player placement will be determined based on their age, ability and the positional (i.e. Guard, Forward, Centre) needs of the team, in conjunction with their age group requirements. Coaches and the coaching team will be responsible for determining their selection into the program and ongoing playing time.

Team grading is set for the championship season by performances during the grading phase. Initial grading is nominated by the VJBL. Teams can either retain their grade or be moved to another grade depending on their performances.

Team make-up

- Team Officials - Coach, Assistant Coach and Team Manager
- U12-U16: 10 players per team
- U18-U20: up to 12 players
- Age grading is determined by the player's age as of the 31st of December of the championship season
- Movement of players within teams can be made by the BDM up until VJBL cut off dates.

Performance Teams: Our top three teams in each age group are regarded as 'Performance Teams'.
Our 1st & 2nd teams are expected to win as much as possible in grading and the regular season to push for Victorian Championship (VC), National Junior Classic and U14 Club Championships.
Our 3rd team is expected to also grade as high as possible to push for VJL1.
As a representative player in these teams, court time is not guaranteed.

Development Teams: Our teams 4 to 8 are regarded as 'Development Teams'.
There is a large emphasis on development in these teams while still trying to compete at the highest level possible. All athletes are expected to have opportunities to take the floor in games; however, as representative players, court time in Development Teams is determined by the coach.

Emerging Teams: Our teams 9 to 12 (U12 Boys + U14 Boys/Girls) are regarded as 'Emerging Teams'.
We want to give these players a chance to develop their skills within a structured environment with direct practice planning completed by the Casey Basketball BDM & BDO. The team goals are purely development.
All athletes are expected to have opportunities to take the floor in games and play relatively even court time; however, as representative players, overall court time in Emerging Teams is determined by the coach.

6. Practice Sessions

All 'Performance' & 'Development' teams practice each Sunday for 2 hours and attend a mid-week training session of 1 - 1 ½ hours. There will also be some training sessions in school holidays at an additional minimal cost.
U18 Teams will practice twice mid-week (practice times can vary).

All 'Emerging' teams will practice for 1.5 hours mid-week with a session led by a Casey BDO and/or Cavaliers Lead Coach and a 1.5-hour session on Sunday also led by a Casey BDO and/or Cavaliers Lead Coach

For the upcoming season, all 1st, 2nd & 3rd teams from U12 – U14 will have an additional five sessions to help prepare for grading. These will take place as soon as teams are selected on Mondays. Dates and times will be communicated to those selected in the relative teams, and an additional cost will be included in your registration invoice.

Practices will take place at Casey Stadium, Kambrya College, Hillcrest and other venues within the City of Casey when required. Players are to arrive 15 minutes before their scheduled practice time and be mentally prepared for a rigorous and challenging practice session.

Players are required to wear only **Cavaliers branded** gear:

- reversible training singlet
- navy-blue Cavaliers' shorts
- hoodie (in colder weather)
- track pants (in colder weather)

Failure to do so could result in your child sitting out of training.

All players should always bring to practice:

- basketball appropriate footwear
- water for the entire session
- basketball & Education Pack

COURT TIME

The amount of court time given to players varies according to the team needs, individual performances, strategies and tactics employed by the coach or BDM. Due to the nature of representative basketball, players cannot be guaranteed equal court time. However, parents who are concerned with their child's role, should arrange a suitable time after practice to discuss this matter politely, with their coach.

7. Additional Practice Sessions

- School holiday camps will continue to be offered to Cavalier representative athletes only. These will be offered at a discounted rate.
- Cavaliers Performance Program (CPP)/Cavaliers Development Program (CDP is available to all U12/U14 Cavalier athletes to assist with skill and concept development. This program is charged on a term-by-term registration.

- player notebooks

All registrations and payments will be made through Play HQ.

You will have two options-

1. Payment in full on registration
2. Six equal monthly payments made via direct debit (set up through play HQ on registration)

Please read our refund policy before committing as no refunds are available for change of mind (See Refund Policy, available at www.caseybasketball.com.au).

Weekly Playing Fee

Each athlete is required to pay their team manager their equal share of the team sheet via Team Pay. Team sheet fees are set by VJBL. This cost covers your game day fees and entry for all spectators. Failure to make payment to the Team Manager will result in the athlete being unable to play until payment is made.

This fee is payable regardless of game time or availability to play each week. Payment of this weekly fee is the commitment required for the entire representative calendar.

Special Circumstances: Should a player have a long-term injury (Min. 6 consecutive weeks) or leave the team, then the fee will be equally divided by the remaining players.

Practice Game fee

All practice games occur before the grading season starts and is an important part of each teams preparation. These games will be invoiced to each athlete, as not all team managers are set at this time. Payment is expected by the 2nd practice game.

Uniform Package
It is compulsory for all new players to purchase the full uniform package at the cost of $370 Uniform night is the Thursday after teams are announced**.** Payments methods accepted:

- Credit card/Eftpos

Photos
Photo day will be a organise throughout the season, where team and individual photos will be taken. The purchase of these photos is optional.

Annual Presentation Day
At the end of the season the Association will host a presentation day at no additional cost. It is an expectation that all players attend this day.

9. Sports Injuries

Your child will now be playing a minimum of two matches per week (one representative & one domestic) and practice for around three to four hours per week. This can place stress on young bodies, and injuries can occur during practice or matches. The coaches and coaching panel are well aware of the potential for sports injuries and will place your child's welfare as a priority. If you have concerns regarding your child's health, please discuss them with your coach or team manager.

If your child does sustain an injury and is unable to play and/or train for a period of time, they are still expected to attend the games and training sessions to support their team. Although your child will not be practising, by attending, they will be exposed to the drills and game plays taught. It is also highly recommended that you provide a medical certificate outlining your child's injury and how long they will be unable to play or practise. Medical certificates may be needed for players to qualify for finals under VJBL rules should they not have played enough games.

Injured players must attend all games if physically able. When attending games whilst injured, players must:

- sit on the team bench as per normal
- wear casual Cavaliers attire (e.g. Cavaliers branded hoodies, tracksuit pants or t-shirts).
- must not wear hats, beanies, thongs or slides etc.

If you need a physiotherapist, Casey Cavaliers highly recommend visiting the team at Physioworks Health Group. They have clinics available in Cranbourne, Pakenham and more.

Head to www.physioworkshealthgroup.com.au for more information.

10. Cavaliers Information

All Cavaliers information can be found on the Casey Basketball website www.caseybasketball.com.au by simply clicking on the Junior Cavaliers section in the menu. You will be able to find all:

- Fixtures & results
- Required forms and calendars
- Cavalier development programs
- Cavalier holiday clinics

11. Uniforms

Playing Uniforms
All athletes will be required to purchase a new uniform Cavaliers playing uniform is the same throughout our entire junior program. This is the only uniform allowed. The alternative side of the playing singlet will be used should there be a colour clash with the opposing team. All Cavaliers players MUST wear the correct playing uniform as required by the VJBL when representing the Cavaliers. If the correct uniform is not worn, the player will not be able to play.

Correct playing uniform means:

- Cavaliers playing singlet + shorts
- Cavaliers socks
- Cavaliers hoodie
- Cavaliers warmup top
- relevant compression gear (must be black with no visible logos)

Practice Uniform
Cavaliers training uniform is compulsory for all training sessions. This is the only uniform allowed.
If players are out of uniform, they may be asked to sit out of practice.

Correct training uniform means:

- Cavaliers practice singlet
- Cavaliers navy practice shorts
- Cavaliers hoodie
- Cavaliers socks (optional)

Uniform Package
The uniform package consists of all the required items for playing and practice and is compulsory for all new players. These purchased items will remain the property of the player. It is also the responsibility of the player to ensure they bring their uniform to each game, and it is maintained in excellent condition.

$370 uniform package includes:

- playing singlet
- playing shorts
- practice singlet
- practice shorts
- warmup top
- navy hoodie
- backpack
- socks

Individual uniform items can be purchased at Casey Stadium during competition times or during office hours (9am – 5pm). Please note: Allocation of player uniform numbers is allocated by Casey Basketball and requests for numbers will not be taken.

Second-hand uniform
You cannot purchase a second-hand uniform without approval by the CBA Office. Should you choose to purchase a second-hand uniform without approval, and a number clash occurs, be prepared to purchase a new playing singlet with a different number.

Backpack Labelling

As directed by our supplier, it has been deemed inappropriate to embroider the backpack, as it may ruin it if done incorrectly. Alternatively, you may print your name and number on your bag with a white vinyl print.

The print MUST conform with the following guidelines:

- Comply with the below size:
  - 18mm high per letter, 40mm high per number
  - This is not the minimum or maximum, letters must be this size, unless approved by the Casey Basketball office. Exemptions may be permitted for longer names.
- It is compulsory to use the font 'Machine BT/MACHINEN', this font can be obtained from the Junior Cavalier committee or by emailing marketing@caseybasketball.com.au
  - No other fonts are permitted
- Letters and numbers must always be white

Our supplier (Impact Sports Promotions) can complete this for any member for only $8 per bag (As at August 2024. Costs may vary over time). If you would like to utilise this service, you can contact them via: sales@impactsp.com.au. If you have any queries or concerns, please email cavaliers@caseybasketball.com.au

12. Parent Involvement

When your child is selected to play representative basketball for the Cavaliers, parents & families are an integral part of the Cavaliers program, and you will be required to:

- score at Friday night games on a roster system.
- help and encourage your child through hard practice and competition.
- help make Cavaliers a strong club by supporting all of its basketball activities from under 12 to senior levels.
- help your team (e.g. team manager, scoring when rostered, providing carpooling etc.).
- help your team by providing enthusiastic and fair support at games (see Codes of Conduct).
- help support the Cavaliers by supporting its special events.
- support the Head Coach in their efforts to create the best rep environment possible

Being involved helps your child feel part of the Cavaliers community, while also providing opportunities for parents to connect and enjoy social events.

13. Issues and Concerns

If you have any concerns, do not hesitate to speak to your team manager/coach, who will be able to guide you to the person you need to contact.

For any coaching issues, please organise a time to meet with your coach after practice on a Sunday. **Do not approach the Coach or BDM with issues on Friday nights.**

If you have concerns regarding player welfare in the program (not related to basketball, court time, development, etc.) Please contact our welfare officer:

- Josh Nicholls – welfare@caseybasketball.com.au

For any other concerns, such as:

- scores/results
- fixturing
- anything else associated with VJBL

Please email our delegate on cavaliers@caseybasketball.com.au

VJBL only allow the club delegate to contact them directly. Fines are issued to the club if they are contacted by anyone other than the delegate. These fines will be forwarded to the relative person.

14. Senior Cavaliers Program

During the Senior Cavaliers season, each U12 - U18 team will be required to assist at NBL1/BIGV games. This will be scheduled and advised to teams in advance.

Duties will include but are not limited to:

- assisting with set up and pack up

- floor sweeping during the game
- high fiving the Casey players onto the court at the beginning of the game
- other small jobs required on gameday

This is an exciting opportunity for our junior players to be part of the Senior Cavaliers game day. Players and Team Managers that are involved in the floor sweeping are free to enter, however please be aware all other parents and spectators will be required to pay an entry fee discounted to half price.

15. Communications

All communications about upcoming events and programs will be communicated via Team App. Your child will be placed into their team group upon accepting registration. The email used to officially register your child into the program will be used when allocating their team group on Team App.
No other social media platform is to be used by members for team communication.

Parent Joining Team App

- Download TeamApp from apple store or google play store
- Create account with email used to register for Casey Cavalier trials
- Verify email address from emails
- Casey Basketball should now show as a team in your app and you should now see your team chat under "chat"
- If not showing, search Casey Basketball and then request to join
- Select the team your child is playing in and select child's name if available
- Join and then a Casey staff member will accept your request within 48 hours (weekdays)

If you are concerned that you are not receiving this information, please contact CBA via marketing@caseybasketball.com.au

All Junior Cavaliers athletes and parents are expected to abide by the **Basketball Victoria's**

- Social Media Policy
- Code of Conduct

Please visit www.caseybasketball.com.au for full details.

16. General

We are continually trying to improve operations and communication for you to enjoy your basketball experience. This information booklet will give you all the relevant information needed for you to have a full understanding of the team effort required by all volunteers to run a successful representative basketball program.

Cavaliers expects that all parents, players and spectators, respect the role of all game officials (scorers, coaches and referees). Under NO circumstances are you permitted to approach a game official before, during or after any VJBL game. Any breach of the above will result in disciplinary action as sanctioned by VJBL and/or Cavaliers.

Cavaliers strive to provide the best available coaching and facilities for the development of your child. The development and opportunities provided, can give your child the chance to play at the highest levels, firstly as a junior and later as a senior player. To do this we need to work together on and off the court as a team.

CASEY BASKETBALL ASSOCIATION

REFUND POLICY

By legislation, customers will be entitled to a refund when a service fails to meet one of the consumer guarantees provisions.

The relative consumer guarantees are:

a. Services will be provided with due care and skill.
b. Services will be fit for purpose.
c. Services will be provided within a reasonable time (when no time set).

However, just because one of the above guarantees is not met, doesn't give rise to an automatic right to refund. Whether a refund is available for breach of one of the above consumer guarantees will depend on the nature of the problem and whether that problem is a 'major problem' or a 'minor problem' as defined by law.
(In relation to registrations fees, the problem must be deemed a 'major problem')

Major Problem

A service will have a major problem if it:

- Has a problem that would have stopped someone from purchasing the service if they had known about it.
- Is substantially unfit for its normal purpose and can't easily be fixed within a reasonable time.
- The consumer informed the supplier that they required the service for a particular purpose, but the service and any resulting product did not achieve that purpose and cannot be easily made fit in a reasonable time; or
- The supply of service creates an unsafe situation.

Minor Problem

If the problem is not a major problem, it is a minor problem (can be fixed) and Casey Basketball is not required to provide a refund and Casey Basketball can choose how to fix the problem.

Partial refunds

If there is a major problem in Casey Basketball providing basketball administration services to a customer, the customer has the right to cancel the contract for such services and will have a right to a refund of their registration fee, up to the value of any part of the service not consumed.

Refund for change of mind

Customers **are not entitled to a refund** if they simply change their mind.

VJBL BEHAVIOUR POLICY

VJBL BEHAVIOUR REQUIREMENTS

- At no point before, during or after a game are Assistant Coaches, Spectators or Team Managers permitted to approach a referee.
- All Head Coaches, Assistant Coaches, Spectators and Team Managers must abide by the Basketball Victoria (BV) Codes of Conduct.
- If you are asked to leave the venue by a venue official, Head Coaches, Assistant Coaches, Spectators and Team Managers must do so immediately, or Tribunal Reports and loss of games may be applied.

REMOVAL FROM VENUE

The following procedure is required to be followed if a Venue Official requires an Assistant Coach, Spectator or Team Manager to leave the venue.

- The Venue Official must complete the Technical Foul /Behaviour Foul - incident form online if they believe the accused behaviour was at a level that they were required to leave the venue.
- If the accused has been reported to the tribunal by an official, this is to be detailed on the Incident form as well and forwarded to the VJBL Administration.
- **NOTE:** Not all ejections require an official tribunal report, this is only required when the action/s of those involved warrant a formal Tribunal Report.
- If the accused won't voluntarily give their name, please complete the incident form and the VJBL Administration will follow the name up with the team involved.

PENALTIES FOR BEING REMOVED

The VJBL Administration will review all Technical Foul / Behaviour – incident Forms and BV Report Forms.

VJBL SUSPENSION

If an Assistant Coach, Spectator or Team Manager has been removed from the venue for alleged abusive behaviour and the VJBL Administration can reasonably confirm the allegations, the accused will be banned for the remainder of the VJBL Season.

Head coaches are not mentioned above, however will still have their behaviour sanctioned accordingly where required.

Reportable Offences

After reviewing the Incident Form (and Tribunal Report Forms where completed) the following procedures will be followed:

If a formal report is not submitted, a review of the Incident Form may indicate a formal report is required.

- Basketball Victoria's Integrity Department or VJBL League Manager will ask the Referee and/or Venue Official to complete a formal report.
- Once the report is received, an offer may be made by the Basketball Victoria Integrity Department or the report will be sent directly to the tribunal.
- Alternatively,-Basketball Victoria's Integrity Department may direct the VJBL Administration to apply appropriate penalties as stated below.

TEAM PENALTIES

It is the team's responsibility to ensure that all Assistant Coaches, Spectators and Team Managers abide by the Basketball Victoria Codes of Conduct and By-Laws. Penalties will be applied to the team involved with unacceptable spectator behaviour.

- First Offence – The team may have the remainder of home games moved to a neutral venue or the team may be removed.
- Second Offence – The team will be removed from the competition.

The Offences that will be taken into consideration may have occurred by multiple spectators or the same spectator, they will all count against the team.

ASSOCIATION PENALTIES

It is the association's responsibility to manage a team's behaviour and educate players, coaches, officials and team spectators on their responsibilities and obligations to abide by the Basketball Victoria Codes of Conduct, Conditions of Entry and Basketball Victoria Policies.

The following penalties may also be applied to the Association for repeated breaches by a single team during the current VJBL season.

- First Offence by a team – The Association will receive a warning.
- Second Offence by the same team – The Association will be placed on a $500 good behaviour bond, (if the team isn't removed from the competition), however if the team is removed they will be expected to pay the $600 withdrawal fee.
- Third Offence by the same team – the good behaviour bond will be forfeited, and the team will be removed and $600 withdrawal fee applied.

Associations have the right to appeal to the JRC Committee on any penalties, as per Rules of Operation.
